Additional Terms of Enrollment Agreement

I agree that my obligation for the full year's tuition and fees will not be reduced by withdrawal, dismissal or absence for any cause since I recognize and acknowledge that such withdrawal, dismissal or absence would not materially reduce the school's costs for operation during the year, and that, therefore, payment of the full year's tuition is the fair and reasonable measure of the liquidated damages which the school would otherwise suffer in such event.

It is understood that by signing the Enrollment Agreement we are accepting the rules and regulations of the School as stated in the Student Handbook for the enrollment term. I understand that violation of the rules and regulations may be subject to disciplinary action. No part of the tuition, fees, or other applicable charges owed will be refunded or forgiven if a student is dismissed from school for violation of rules of good conduct, fails to meet academic requirements, or is withdrawn for any reason.

Failure to make tuition payments by the contractual dates may result in a child being removed from school or not being allowed to take examinations. Transcripts of a student's record cannot be forwarded to another school if there is an outstanding balance in his/her account.

If this contract is not paid in accordance with the terms and provisions herein set out and it becomes necessary to place in the hands of an attorney for collection, an additional fee to twenty-five percent (25%) of the amount owed herein shall be charged as attorney's fee plus court costs. I waive division, discussion, presentment for payment, demand, notice of dishonor, protest, and agree that time for payment may be extended and the principal debtor or any party may be released without notice to me without affecting my liability. The parties agree that this contract is made under the Louisiana Consumer Credit Law.
