

**RIVER OAKS SCHOOL**  
David Nordman, Ed. D. - Headmaster

November 14, 2018

Dear River Oaks Family,

Thank you for entrusting your children's education to River Oaks School and for being a valued member of our school family. Our River Oaks faculty and staff strive for excellence every day in academics, the arts, and athletics in order to provide the best possible education for your children.

As you may be aware, the collection of tuition and fees alone do not cover the costs of educating our children at River Oaks School. Past support from our families has been essential in helping the school bridge the gap allowing River Oaks School to maintain a history of excellence in education.

For the 2018-19 Annual Giving Campaign, the River Oaks Board of Directors, along with the school administration, have identified three (3) specific targeted goals that will provide a means to better communicate current and vital information for our students, parents, and community in both of our indoor assembly venues and the exterior street frontage of our school.

- Goal #1: Replace our existing school sign in front of the school with a programmable digital sign to provide a dynamic source of information for parents, students, and the community. This upgrade will benefit River Oaks School by providing updates and recognition for upcoming events and accomplishments.
- Goal #2: Upgrade cafeteria seating with safer and more comfortable seating for students and adults.
- Goal #3: Replace our current stage curtains and backdrop in the gymnasium. The current curtains are in dire need of upgrading and are beyond repair in some spots.

These three projects will help us deliver the message of the great things that are happening at River Oaks School and the outstanding accomplishments of our students and staff.

Goal #1 has an approximate cost of \$18,000 (depending on local labor expense). Goal #2 has an approximate cost of \$10,000. Goal #3 has an approximate cost of \$5000. The approximate total cost of these projects is \$33,000. Any funds exceeding the costs of these projects would be dedicated to our existing capital upgrade fund for facilities improvements.

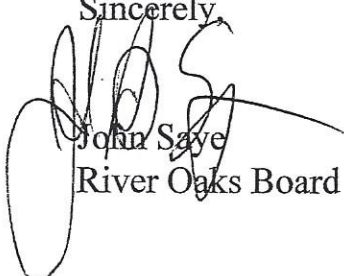

To simplify the process for making your donation, we are activating our PayPal Account to allow safe and convenient donations on line at the *romustangs.com* website. As always, you can send your payment to the school or deliver it in person at:

River Oaks School  
600 Finks Hideaway Road  
Monroe, LA. 71203

- Your donation qualifies as a federal and state income tax deduction. You will receive an official letter for your records.
- We can accept donations of stock, if that scenario fits your situation.

In closing, I know there are a lot of wonderful organizations asking for your money this time of year, but, short of your church, there is NOT a more deserving organization soliciting your donation, your investment, than River Oaks School. Please join me in helping reach this year's campaign goal and investing in the future of our children. No amount is too small.

Sincerely,

John Saye  
River Oaks Board of Directors
