### You can help with your Tax Donation!

Tax time is coming! How can you help River Oaks with your Louisiana state tax money? Under the Louisiana Tuition Donation Credit (TDC) Program any LA taxpayer may donate their entire state income tax liability to Arete and receive a 95% tax credit at the time of donation. Arete will provide need-based K-12 scholarships to Louisiana students. By law Arete may retain up to 5% of each donation to help defray administrative expenses. Taxpayers can also earmark River Oaks as the school of their choice for new student scholarship recipients. You may use the attached form for your donation. You may also go to [aretescholars.org](http://aretescholars.org) for more information. This is a great way to help area families send exemplary students to River Oaks School.
