

## MIDDLE SCHOOL BASKETBALL

Middle school basketball season is finally here! We will begin practice next week (Oct 12<sup>th</sup>) and our first game will be Nov.17<sup>th</sup> at Caldwell.

Due to COVID 19 we have several things overlapping this year in the gyms. Because of this, our practice times will be from 4:30-6pm. Boys will practice Monday and Wednesday, girls will be Tuesday and Thursday...we will either combine or alternate Friday's. Once football season ends we should be able to adjust practice times to make them a little earlier. There will be a supervised study hall afterschool if they want to stay. I will need a note from the parent letting me know if you plan to stay afterschool. Girls that cheer will have a 30 minute break between cheer and basketball practice, they are welcome to bring a snack and they will have a place to sit and rest between practices. Any questions please feel free to text or call me, look forward to a great season!
